

Testimonial of Internship in Singapore

1 Oct 2018

To Whom It May Concern

Testimonial for Mr Seo Hanrul

Mr Seo Hanrul (aka Hanrul), holder of S Korea passport number M58568132, joined Cloudzen Pte Ltd as a intern from 01 Feb 2018 to 31 Jul 2018, a total tenure of 6 months. The internship was part of his undergraduate overseas industrial attachment programme stipulated by the Korea Polytechnic University.

Hanrul was assigned to the Game development Team (*Programming department*) department, where he performed as a Mobile Game Programmer, Network and Computer Systems Administrator.

Cloudzen has assigned Hanrul to handle the client development of the Mobile Game & App development. He has been involved in programming with various Game engines such as Unity3D and Cocos2Dx with the required skills of C++ and C# programming. He has also been involved in design planning and working together with Art or Backend team to ensure smooth integration and quality testing to ensure program run with minimum bugs or technical issues that it is playable to end users.

Hanul has been diligent and willing to learn new skills and able to work well with international team mates. He has shown good attitude and being responsible for his work, and humble to share with fellow team mates about what he has learned. He was able to adapt well at work, and follow instructions well. He has been a reliable staff and team player to ensure good communication through the milestones to avoid delays or bottleneck to the workflow.

Yours Sincerely,

Janelle Lee
Supervisor
